From the Producer

SDA productions are delighted to present their 4th MTI show, High School Musical Jr. What makes it so special is that the first film was released exactly 20 years ago! We are happy to see so many talented performers return from our previous shows as well as welcoming some amazing new talent. It's so rewarding to see the cast bonding throughout the rehearsal process and to know that they are creating some lifelong friendships and memories. We thank our performers and their families for their commitment throughout term 3 and our intensive rehearsals.

Huge thanks to our amazing creative team - Director Billy, MD Catherine, Choreographers Tayla and Alex and thanks to Millie C who has joined us in all things admin. Thanks also to Laura for our cast shirts and Izzi for your help with costumes, and to Izzi for her assistance in choreography and recording the show's vocal tracks.

Stay tuned to our socials for news of our Summer 2027 programme, 2 shows offering performance opportunities for performers aged 7-18. Auditions will take place in November.

For now, sit back and relax as we take you back to High School and 2006!
